

**A week of radical generosity in Jesus' name!  
(Sept. 24 - 30, 2023)**

**New Hope KENTVILLE** is participating in a multi-church, inter-denominational outreach initiative across Atlantic Canada for the week of **Sept. 24 – 30, 2023.**

- During this week, many churches will actively reach out and bless our communities with service projects and fundraisers to community organizations and individuals.

Because God has been **so generous** toward us, *we are compelled in turn to be generous toward the world around us.* It's out of His unending generosity that we give. This is always true in each and every season, but specifically during this one week. Let's pull out all the stops to intentionally see just how much love we can show in Jesus' name!
