

Global Partners:

Robin and Yoko White, Japan

Hello from Mount Fuji!

We hope you had a happy Easter. We got to celebrate Easter in Nagoya with our former home church, Immanuel Nagoya. Robin preached in the morning service and we did an English outreach event in the afternoon. It was fun and refreshing to reconnect with church family, old friends and former students, to share the hope of Jesus.

We also learned that a former English student (who was a kid when Robin taught her but is a teen now) is attending a church in another part of Nagoya where Yoko's former seminary classmate is the pastor! Small World! We are thankful that God is continuing to work in my former student's lives.

We are now beginning a collaboration with another Christian organization in Japan on a new manga project. This will be our second project as Drawbridge Creations.

Thank you for your interest, prayers and support!

Did you know?

27% OF TRAFFICKING VICTIMS ARE CHILDREN. 66% OF THOSE CHILDREN ARE GIRLS.

Human Trafficking is something that happens across the Globe. 27% of trafficking victims are children. The majority of those are girls.

World Hope works with communities, authorities, families, and survivors in the fight against human trafficking.

Your donations to the Hope Fund enable these programs to be at their best. And during our Ignite Hope fundraiser,

Sierra Leone: Recovery Center

The WHI Recovery Centre project makes a difference in the lives of poor families. Many young girls are tricked into leaving their families with the prospect of a good job in the city. But they are trafficked or sold by unscrupulous people. Some are not found for years, and some have babies. Once the girl is found and returned, the Recovery Centre provides comprehensive and safe residential care for survivors of human trafficking.

New Hope has been helping to support this ministry for 3 years.

Missions Bulletin

Our Partners in Mission:

World Hope International, Canada

Since Oct. 7, 2023, the Israel-Hamas war has displaced 2.5 million Palestinian and Israeli children and their families. There aren't enough shelters, and children and families caught in the war face imminent famine and disease. They are fighting to survive and without your help, their likelihood of doing so diminishes every day the war continues.

UN Estimates

- 1.7 million people are displaced in Gaza.
- Debris removal in Gaza likely will take 3 years.
- Gaza has had no electricity since Oct. 11, 2023.
- 2.2 million people are at risk of imminent famine. Only 44% of Gaza hospitals are functional (and only partially).
- Only 10% to 50% of the doctors are working.
- Intensive Care Units are at 250% capacity
- 10% of people in Gaza (223,000) have acute respiratory infections
- 7500 people in Gaza have acute jaundice and several with Hepatitis A

Please pray for Israel/Palestine.

Local Missions:

BLESSINGS IN A BACKPACK

New Hope Kingston and Kentville are delivering a total of 60 bags of food and snacks for the weekend to 5 schools in the Valley. This is such an important ministry to kids who experience food insecurity and we always appreciate financial donations!

Christmas Hampers

New Hope delivered 20 hampers to the surrounding community on Dec. 22/24. These were filled with groceries for Christmas dinner.

Valley Care Pregnancy Center:

New Hope is pleased to be able to support this important ministry.

www.asafeplaceforme.com

Annapolis Valley Frugal Moms Society

In Dec. 2023 New Hope Sent a donation that helped buy 2 new Arctic tents for people who were living rough.

Thank you!

April 7, 2024 was Compassion Sunday at New Hope. We had a guest speaker and we signed up another 18 sponsors for Compassion Canada children! New Hope is also sponsoring a boy in Guatemala named Micheal.

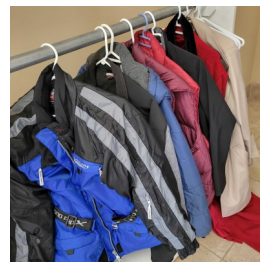

We are pleased to have sent a donation in April 2024 to the Valley Hospice Foundation

Open Arms

Winter wear Collection:

Donations of jackets and coats may be dropped off at the donation bin in the alley outside of Open Arms on Bridge Street.

These are much appreciated!

For any time of the year, Open Arms will gladly accept donations of toiletries, sunscreen, feminine products and socks! Bring these items to the door at 32 Bridge Street.

Fundy Food Bank

New Hope donated 53KG of food in February. WTG New Hope! We also send a considerable financial donation twice a year.

BECAUSE EVERY CHILD MATTERS
WWW.CAMPAIGNFORKIDS.COM

Helping financially disadvantaged children and youth in Kings County, NS

Campaign for Kids was established by Family and Children's services to address the overwhelming number of requests for assistance from families in crisis. The aim is to help families in need and all funds stay in Kings County.

This year New Hope has supported this project through the Principal's Fund which is a discretionary fund used by the schools to provide things like school supplies, winterwear, socks, and other needs.

How YOU can help with any of these missions projects: Either indicate which project you are supporting, or simply indicate "General Missions" with your donations to New Hope.
